JOB DESCRIPTION

Brenner Packers Ltd. is seeking an experienced Butcher to join our team. This role is ideal for someone who takes pride in quality workmanship, works efficiently in a fast-paced meat-processing environment, and understands the importance of food safety, consistency, and customer-ready product preparation.

Role and Responsibilities

1. Break down, trim, portion, and prepare beef, pork, and other red meats to required specifications. Perform primal and sub-primal cuts with attention to yield, presentation, and product consistency.
1. Inspect meat quality throughout processing and remove excess fat, bone fragments, or unusable material.
2. Package, label, and stage finished product for retail, wholesale, or further internal processing.
3. Maintain a clean, organized, and safe work area while following sanitation and food-handling standards.
4. Load and unload customer orders as required.
5. Unload raw product delivery trucks.
(Chucks, and Hind Quarters weighing in excess of 150lbs)

Requirements

- **Minimum 3 years of hands-on experience butchering beef, pork, and other red meats. (Non-Negotiable).**
- Strong knife skills and confidence working with saws (band and hand), cutting equipment, and meat-processing tools.
- Solid understanding of meat cuts, portioning, trimming standards, and product quality expectations.
- Ability to work safely, lift products as required, and remain productive in a physically demanding environment.
- Dependable, detail-oriented, and able to work independently or as part of a team.

This is a physically demanding job. Any physical ailment restricting or prohibiting any of the tasks or duties listed above may affect eligibility.
